

PCGB R10 WOTY Northumberland 28th to 31st May 2020

Hotel Recommendations / Allocations (Breakfast included, onsite free parking)

Each number below represents a reserved room at the appropriate hotel. Please select your first and second number choices from those that are unallocated.

On a first come, first served basis, rooms will be allocated according to your first, then second request. If neither is available, a similar room at the next available price will be allocated to you and you will be advised accordingly. You may reject this allocation and choose a different room, or choose to find yourself a different hotel.

When your allocation has been agreed, a £50 non-refundable per room deposit will be payable. If you do not pay your deposit, your allocation may lapse.

This chart will be updated as regularly as possible.
