My name is Richard Lewis

I own and run a family business based in cardiff with over 17 year experience within the car detailing and vehicle valeting industry . We offer a vast range of detailing treatments and specialist service that offers exclusive production and restoration procedures. We offer all service from exceptional hand valeting to high end paint protection and restoration and more , we have been trained and accredited in a member of services that are exclusive to our centre , for example sprayless scratch repair , PERMAGARD , GTECHNIQ & koch chemie uk various beffering techniques and many many more .. Every vehicle we work on family cars to commercial trade always gets the highest level of care and exceptional detail and quality of service !

Please refer to our two website for list of services and gallery .

Wether you are responsible for car dealerships , bodyshop , commercial letting or more then we could be benefical service to your business ! We understand that the preparation of commercial vehicles is very much price led and margins are becoming tighter ! We understand and can deliver a high quality to a standard cost effectively .. We could help you maximise your business profits and services whilst saving your valuable time . We can take a vehicle caravan, motorcycle , aviation , marine and restore or valeting to the highest level at a fraction of the price cost and expensive man power maximising profits on resale ! We can turn a tried looking vehicle into a showroom floor vehicle . We have experience of working vehicle sale and letting with trade discounts and glowing customer trade testimonials .

We offer exceptional quailty of service professtional care to detail and are dependable .. With service and contracts rates trade disounts available . We use high quality products and up to date equipment and are trained and accredited and have a responsible and committed work ethic . We also can operate and take weekend booking and why not get in touch see for yourselves what services we provide for you !

Kind Regard

Richard Lewis
